

# ALL WE HAVE

Danika Starrharrt

**Intro:** Em | C | G | D | Em | C | D | D

Em G Em Bm7 Am G Em  
All we have could be built on sand, the hopes we framed our lives within, ideals we planned.  
G Em D G Bm C C  
All we own could be wind or stone, borrowed from an ember we fanned alone.

## **Chorus:**

Em C G D Em C G Dsus4  
Days are turning, years of learning, and all we have still is now.  
Em G Bm C G Am D  
Games of hiding, I'm done trying; it's time to know (2nd time: show) where there's love

Em G Em Bm7 Am G Em2  
All we hear could be sharp and clear, if we might let our hearts emerge without the fear.  
G Em D G Bm C C  
What we see in reality could write the greatest story and make us free.
